

Benefits

GAS SOUTH

Gas South offers a complete package of benefits for all eligible employees, divided into employer-paid, employer/employee paid, and employee-paid categories.

When Does Coverage Begin?

Most employee benefits become effective on the first day of hire. To enroll in employee benefits, you must complete your enrollment within 30 days of hire. If you do not complete the enrollment process within 30 days of hire, you must wait until the next Open Enrollment period.

Who is Eligible?

Full-time employees working at least 20 hours per week are eligible for benefits. Additionally, you may also enroll your legal dependents who match one of the following descriptions:

- a. Your legal spouse.
- b. Your dependent children under age 26 (including son, daughter, stepson or stepdaughter of the employee, legally adopted child of the employee and a child who is lawfully placed with the employee for legal adoption by the employee and an eligible foster child). Marriage, financial dependence and student status are not factors.

Employer Paid

The following benefits are 100% paid by Gas South:

Annual Leave

- Paid Time Off (PTO) accrual begins with the first day of employment and is for vacation or illness.
- The chart below shows the rate of annual PTO that is accrued on each anniversary date.

PTO Accrual Rate

Anniversary Date (Full Time)	Bi-Weekly Accrual	Monthly Accrual	Annual Accrual
Hire	4.31 hours	9.33 hours	14 days*
1 year	5.54 hours	12 hours	18 days

*New employees receive two initial days (16 hours) and then accrue at the rate of 14 days per year.

Sabbatical

- The Gas South sabbatical program provides full-time employees with a consecutive four-week block of paid vacation once every five years. Sabbatical leave is in addition to PTO. The company has no expectations for how employees use their sabbatical period, other than to take true time away from the office.
